

# InterFuse® Treatment Cream EYE

A powerful, award-winning eye recharger.

BEFORE

AFTER 4 WEEKS  
TWICE-DAILY USE\*

## INTENDED FOR

Crow's feet, wrinkles, puffiness and under-eye darkness.

## BENEFITS

- Proprietary delivery technology drives ingredients faster and deeper to maximize nourishing benefits.
- A neuro-calming peptide relaxes the appearance of crow's feet almost immediately.
- Vitamin C provides antioxidant and skin brightening benefits.
- Relieves under-eye puffiness through a decongesting blend of caffeine and a highly specialized yeast derivative.
- Diminishes dryness and locks in moisture with a synergistic blend of humectants.
